

If we are to be a great democracy, we must all take an active role in our democracy. We must do democracy. That goes far beyond simply casting your vote. We must all actively champion the causes that ensure the common good.

(Martin Luther King III)

SAANYS Region 2 Annual Fall Social Event

**THAT MEETBALL PLACE
206 Main Street
Farmingdale, New York**

**Tuesday, November 6, 2018
4:00pm - 7:00pm**

Election Day is on Tuesday, November 6th! Let's take some advice from Martin Luther King III and "Actively champion the causes that ensure the common good." Please join other administrators from Region 2 for our Annual Happy Hour as we continue to seek ways to champion the cause for excellence in education! This event is an informal get together that gives us the opportunity to network with other administrators and truly take a role in having a voice in our profession.

So...take some time out before you vote on Election Day to be a part of this great democracy and... "Meet Up" at the "The Meetball Place" for some good food and drinks as well as some great conversations.
