Dear Educator:

Please join us for our ASEL Conference: Preparing for Implementation.

Experts and practitioners will discuss the following topics:  
infusing essential components of ASEL;  
promoting key approaches to ASEL;  
integrating practices for systemic ASEL;  
examining climate/culture surveys;  
assessing and measuring ASEL competencies;  
and building ASEL capacity in urban, suburban, and rural schools.

Participants will take away ASEL materials for implementation.
