

Summer Academy for Mental Health Education

For School Administrators & Leaders

REGISTER NOW

9:00 am - 12:00 pm

August 23 & 24, 2022

The MHANYS School Mental Health Resource and Training Center will be hosting a 2-day virtual conference for school administrators and leaders, comprised of 3 one hour sessions each day.

This Summer Academy for Mental Health Education will provide opportunities to learn about mental health education and work on curriculum development. We will discuss creating connections and planning partnerships with community partners and school-based clinics.

The Summer Academy will provide an opportunity to discuss how the climate and culture of your school can impact the mental health of students, teachers, and administrators.

Tuesday August 23, 2022

- **9am-10am:** Mental Health Education Law: Understanding, Accountability, and Implementation (CTLE)
- **10am-11am:** Mental Health Curriculum Evaluation (CTLE)
- **11am-12pm:** Taking Care of Yourself is No Longer Optional

Wednesday August 24, 2022
