Region 10 PRESENTS –

LEGAL AND LIABILITY ISSUES for Educational Leaders

- An overview of your sources of protection regarding civil litigation in relation to the discharge of your professional responsibilities.
- A structure and approach to performing professional responsibilities that can help minimize liability problems and risks.
- An analysis of scenarios in relation to real life workplace issues.
- A review of disciplinary proceedings regarding job performance for both certificated and civil service positions.
- An overview of the role of SAANYS in relation to legal and liability issues faced by members.
- An opportunity for a discussion of the questions and concerns of participants (time permitting).

**Hors D'oeuvres and One Drink ticket
provided free of charge.**
