Honoring Scholars

Educators in SAANYS Region 6 have a tradition of honoring high achieving high school seniors as they prepare to make that critically important step into college.

We award scholarships to high school seniors who are nominated by the school administrators and to high school seniors who are children of SAANYS members.

SAANYS Region six will be holding its **annual leadership breakfast** on **May 22, 2019 starting at 9:00 am at The Vista - Van Patten Golf Club**. This is an opportunity to honor students in grades 4-12 for their leadership abilities and qualities. Each school can choose a student at each grade level to be honored at the breakfast (maximum 12 students per district). The cost is only \$12 per person. At the event we will be honoring the scholarship winners, adult winners and have a guest speaker as well. This is a great opportunity to showcase our student leaders and give them the recognition they deserve.

Honoring Educators

We also recognize outstanding educators, both administrators and others in the field of education, whose dedication to our profession truly makes a difference in the lives of students across our region.

Awards this year will include:

- **Jennie C. Pennington Award** - honoring individuals whose dedication and exceptional contributions throughout their careers have made a difference for children and their schools.
- **Friend of Education Award** – honoring individuals or groups whose work supports K – 12 public schools.

Honoring Leadership

Leadership skills among our students are a vital part of success in school and later life. School administrators cultivate leadership in their students in a variety of ways.

We recognize their efforts and provide a platform to honor their students as identified by their school administrators.

**Online Registration Deadline:
Friday, May 3rd**

**Cost: \$12.00 per person
