## ESSENTIAL QUESTIONS TO BE ADDRESSED:

- What's new at both the state and local level around cutting-edge safety applications, including alert systems, geo-coding, and incident reporting including VADIR and DASA?
- What is the role of the school resource officer in schools, and how can we as educational leaders work effectively with our SROs
- What are current issues and strategies to ensure cyber and data security?
- What is the School Climate Index and how will it impact your school?
- What is the new School Violence Index and how is it used?
- How do these new tools help reduce chronic absenteeism and improve student outcomes?

## WHO SHOULD ATTEND:

All building and district leaders, including IT directors, essential service leaders, as well as principals, assistant principals, and district and central office personnel.
