The Role of the School Resource Officer in Schools

Don't miss this panel event featuring Peter Kehoe, executive director of the NYS Sheriff's Association, along with a sheriff, city police officer, and local school leader(s) who work directly with the SROs in their schools. This timely discussion will focus on the role of the SRO in a school, pertinent legislation, as well as issues, challenges, and opportunities in our current environment. Learn more about your role and how you as a school leader can work most effectively with your SRO.
